

**St. Peter's Youth (SPY) Group News** Make plans to join us on **Saturday, September 16** to attend the "Marvel - Universe of Super Heroes" exhibition at Discover Place in Charlotte. Cost is \$12.00 per person (and need to bring money for lunch). Contact Erin Sigmon or Kim Kaylor if you plan to go. This is open for 4th thru 12th graders.

**Eagle Scout Project Update** Thank you to everyone who brought in amber pill bottles! My next step is to count, clean, and sort the bottles before taking them to Greater Hickory Cooperative Christian Ministry. If you would like to help with this step, please come to the Spirit Center on **Sunday, Sept 24 at 2 pm**. All are welcome!!! While my collection for my Eagle Scout project will officially end on this date, St. Peter's will remain a collection site. Please continue to bring in your pill bottles and place in the collection bin in the back hallway of the church building. Thank you for your support! - Elliott Gantt

**A GriefShare class** will resume in the fall. This class is open to members and friends in the community. If you are interested in attending or would like more information, please contact Sandra Jenkins (828-638-5224).

**Bible Journaling 101** will begin on Monday, **September 18 at 6:30 pm** in the Spirit Center. Bible journaling is a creative way to express your faith, remember key Bible verses, and fellowship as Christians in a most unique fashion. The focus is not on ART but solely on the significance of the message and what it means to you. There is no right or wrong way to express yourself. All you need is a Bible and a pencil to get started! We hope to see you on the 16th on September! Questions - see Kim Kaylor.

\*Note--looking for anyone with magazines they are planning to discard, please bring to the church and leave in the basket in the hallway outside the church office or spirit center marked "magazine discards".

**Autism Support Group News** After a three year hiatus because of the Covid-19 pandemic, our group resumed meeting earlier this year. We would like to thank Pastor Eric and Kim Kaylor for leading devotions at our meetings and thank the congregation for their continued support! Our last meeting went extremely well and we are working to expand our outreach to other families in the area affected by Autism Spectrum Disorder (ASD). During the September 10th worship service announcements, David Sigmon will be thanking the congregation for their support and explain how that support is working for the families involved. Our goal is to help as many families as possible and we'd like you to help spread the word. Our next meeting is **Thursday, September 7 at 6:00 pm**. If you know of anyone that could benefit from our support group, please have them contact David at 828-381-1883.

\*As a side note, Grayson Sigmon will be getting his first comic book published in September. A portion of the proceeds will go to the Autism Support Group here at St. Peter's. Grayson will have a book signing on Saturday, September 30 from 10 am to 2 pm at the Catawba County Library in Newton. The family would like to thank Patty Thompson and everyone involved at CVCC for their help in this endeavor. Grayson would love to see you at the book signing!

**Wreaths Across America** Forms are located in the narthex and in the hallway outside the church offices. Please consider sponsoring a wreath this year! Our cemetery here at St. Peter's has been chosen to lay wreaths this year, so let's support our mission team and get those orders in!
